SCOTTSDALE, AZ, UNITED STATES, September 24, 2026 /EINPresswire.com/ -- Seven years after founding Bianchi & Brandt, attorneys Laura Bianchi and Justin Brandt are celebrating the firm's growth and evolution into a full-service law firm serving clients nationwide across a broad range of industries, business and legal needs.

Founded in 2019, Bianchi & Brandt has spent the past seven years helping clients manage some of their most consequential legal and business challenges, across a broad range of matters, including corporate and business transactions, mergers and acquisitions, regulatory and administrative matters, commercial litigation, employment, real estate, outside general counsel services, receiverships and restructuring. The firm's experience in highly regulated industries has shaped an approach centered on anticipating risk, protecting clients' interests, thinking creatively and finding practical paths forward.

"Seven years ago, Justin and I set out to build a law firm that would approach the practice of law differently, with deep industry knowledge, strategic thinking, out of the box solutions and a genuine understanding of what our clients are trying to accomplish," said Laura Bianchi, Co-Founder and Partner. "We're incredibly proud of what we've built, the clients who have trusted us along the way and the relationships that have become such an important part of our story. Seven years is a meaningful milestone, and we're excited about what comes next."

As Bianchi & Brandt enters its eighth year, the firm is building on that foundation with an expanding roster of attorneys and continued growth across its practices, including business and

corporate law, employment law, commercial litigation, real estate healthcare and facility licensing, regulatory compliance and administrative law. The continued growth allows the firm to serve an increasingly diverse group of clients and legal needs while maintaining the strategic, personalized approach that has defined Bianchi & Brandt since its founding.

The firms continued growth also allows Bianchi & Brandt to provide increasingly comprehensive counsel across matters that often intersect multiple areas of law, giving clients access to a broader range of experience and resources within one firm.

The anniversary also comes during a period of significant professional recognition for the firm's founders. Justin Brandt was recently named to The Best Lawyers in America® for Commercial Litigation and Corporate Law. Laura Bianchi was recently named one of AZ Big Media's Most Influential Women in Arizona.

Justin Brandt, Co-Founding Partner of Bianchi & Brandt, advises clients nationwide on complex commercial litigation, corporate transactions, and strategic business matters.

For Bianchi & Brandt, the seven-year milestone is also an opportunity to recognize the communities and organizations the firm has supported throughout its history. The firm continues to support initiatives benefiting the Boys & Girls Club and Phoenix Children's Hospital through PCH50, which recently made a $1 million investment in support of pediatric healthcare and nursing excellence.
