RevlTek Announces New Product Launch with Texans Credit Union

GALVESTON, TX, UNITED STATES, September 24, 2026 / EINPresswire.com/ -- RevlTek announced the launch of a custom suite of educational loan products for Texans Credit Union of Richardson, TX, and its members.

Leveraging proprietary technology and deep industry expertise, RevlTek develops innovative financial products tailored to the unique needs of credit unions and the members they serve. Through its education-focused marketplace, RevlTek partners with local and national not-for-profit credit unions to provide colleges and universities with best-in-class private student loan solutions and innovative college planning tools—expanding choice, flexibility, and access for schools and the students they serve.

“We are proud to partner with Texans Credit Union to expand access to competitive student loan solutions that help support Texas students and families as they pursue their higher education goals,” said Tim Kulesha, CEO at RevlTek.

“Since partnering with RevlTek in 2021, Texans Credit Union has been extremely pleased with the value this relationship has delivered to our members,” said Matt Moore, Senior Vice President of Retail at Texans Credit Union. “The program has provided our members with access to a comprehensive suite of education financing solutions backed by exceptional service and support. The addition of student loan refinancing is an exciting enhancement that gives members even greater flexibility to consolidate and better manage their education debt. We are proud to continue expanding solutions that help our members achieve their financial goals at every stage of life.”

About RevlTek
RevlTek is dedicated to building a scalable financial ecosystem that empowers credit unions to succeed in today’s dynamic environment. From innovative product design to strategic

partnership support, RevlTek helps institutions serve their members more effectively—no matter their size or stage of growth.
