FGREALTY Reports Stronger Sales Activity and Higher Transaction Values in Its Qatar Real Estate Data

DOHA, QATAR, September 24, 2026 /EINPresswire.com/ -- FGREALTY's latest internal data records a 13.3% increase in deals and a 52.8% rise in total sale value through August 2026

DOHA, Qatar — FGREALTY has released its latest Qatar real estate market report, highlighting transaction activity, property demand and buyer trends recorded through its internal CRM data from January 1 to August 27, 2026.

FGREALTY recorded 460 deals, compared with 406 during the same period in 2025, representing a 13.3% increase. Sales increased from 127 to 154 deals, while rental transactions rose from 279 to 306. Total sale value reached QR440.65 million, up 52.8% from QR288.30 million in 2025. The average residential sale price increased from approximately QR2.26 million to QR2.74 million, while the median moved more modestly from QR1.79 million to QR1.80 million.
Apartments continued to dominate FGREALTY's inquiry data, generating 30,569 inquiries, followed by standalone villas with 3,593. One-bedroom apartments recorded 12,886 inquiries, while two-bedroom units generated 11,501.

Among locations, Fox Hills recorded the highest total listing inquiry volume with 4,685 inquiries, followed by Entertainment City with 3,732 and Al Erkyah with 3,353. For sale-listed properties specifically, Entertainment City led with 3,350 sale-intent inquiries, followed by Waterfront District with 2,643 and Fox Hills with 2,584.

FGREALTY's closed-deal data also reflects an international client base, with Qatari, Indian and

British buyers among the leading recorded buyer groups.
The company emphasizes that these figures represent FGREALTY's own CRM activity and do not represent the entire Qatar real estate market. Inquiry volumes indicate interest in available inventory and should not be interpreted as investment rankings or forecasts.
