Super Lawyers recognizes attorneys across more than 70 practice areas. Attorneys are selected through a multiphase process that includes independent research, peer nominations and peer evaluations. No more than 5% of attorneys in each state are selected to the Super Lawyers list each year.

Mr. Miller co-founded Simeone & Miller in 2002 and has spent more than 25 years representing people injured by others' negligence. His practice includes complex personal injury matters involving medical malpractice, motor vehicle accidents, nursing home abuse, product liability, wrongful death, traumatic brain injuries, and other catastrophic injuries.

"Reaching 10 years of recognition by Super Lawyers is meaningful because it reflects the work I've had the privilege of doing throughout my career," said Mr. Miller. "I'm grateful to my colleagues, our team and, most importantly, the clients who have trusted us to represent them during some of the most difficult times of their lives."

The milestone adds to a career that has included an AV Preeminent® rating from Martindale-Hubbell®, membership in the Million Dollar Advocates Forum® and Multi-Million Dollar Advocates Forum®, and recognition by Northern Virginia Magazine as a Top Lawyer.
