

LIZZIE DIPP METZGER NAMED TO INAUGURAL 1845 CLUB

*Crown Wealth Strategies Founder
Recognized Among Just 26 of More Than
12,000 Agents, With Nearly \$1.3 Billion in
Cumulative Life Insurance Protection*

EL PASO, TX, UNITED STATES,
September 24, 2026 /
EINPresswire.com/ -- Crown Wealth
Strategies is proud to announce that
founder Elizabeth "Lizzie" Dipp Metzger
has been named an inaugural member
of the 1845 Club, the highest milestone
within the Legacy Leaders recognition
program.

Among more than 12,000 agents, only
26 qualified for the inaugural 1845
Club.

Lizzie's recognition reflects nearly \$1.3
billion in cumulative qualifying life insurance protection throughout her career, representing
years of work helping clients protect their families, businesses, estates and long-term legacies.

Legacy Leaders is a long-term recognition program that celebrates cumulative life insurance
protection provided throughout an agent's career.

“

Building wealth and
protecting wealth are not
competing goals. The
strongest plans consider
both and how all of the
pieces work together.”

Recognition begins at \$100 million and progresses through
Bronze, Silver, Gold and Platinum levels before reaching
the 1845 Club at \$1 billion or more.

“When I look at nearly \$1.3 billion in protection, I don't
think about the number first. I think about the families
behind it,” Lizzie said. “Every policy represents a family, a
business or a legacy someone wanted to protect. Being
part of this inaugural group is an incredible honor because

it reflects the cumulative impact of that work throughout my career.”

Unlike annual production recognition, Legacy Leaders reflects the cumulative protection created over time, making the distinction a measure of sustained career-long impact.

At Crown Wealth Strategies, protection planning is part of a broader approach to wealth management. The firm works with families, professionals and business owners to coordinate investment management, retirement planning, estate and legacy strategies, business succession planning and risk management.

“Building wealth and protecting wealth are not competing goals,” Lizzie said. “The strongest plans consider both and how all of the pieces work together.”

For Lizzie, the recognition reflects a philosophy that has long shaped Crown Wealth Strategies: helping families enjoy the success they have created today while preparing thoughtfully for tomorrow and future generations.
