Resident John R described his experience with the company: "Town house fit and finish where great. Office staff and maintenance are friendly and professional. I had a problem with my washing machine, called their head office, and they came out right away. When I had to move for

work, they were accommodating, organized and on time for my move out inspection. I got my deposit back within two weeks, with a few minor patch and paint charges. At the end of the day, my experience with Forthright Properties has been a positive one."

Forthright Properties' team includes resident relations managers, leasing professionals, maintenance personnel and support staff. The company states that its portfolio is continuing to expand across Manitoba while providing modern, value-added homes for families and individuals.

Resident Jeff M said: "We have been renting from Forthright Properties for approximately 1 year and they have been nothing but fantastic. Had a leaky dishwasher which was fairly new and maintenance replaced with brand new one. Any requests my wife and I have had, they were dealt with immediately."
