# Shugarman's Bath Earns First-Ever Best of Orange County Ranking in 2026

*Orange County Register readers ranked the company No. 3 for kitchen and bath remodeling specialist*

ORANGE COUNTY, CA, UNITED STATES, September 25, 2026 /EINPresswire.com/ -- Shugarman's Bath earned the No. 3 spot as a kitchen and bath remodeling specialist in the Orange County Register's Best of Orange County 2026 awards. This is the first time the company has ever ranked in the Best of Orange County rankings.

Each year, Orange County Register readers vote for their favorite local businesses across dozens of categories, including best kitchen and bath remodeling specialist. Shugarman's Bath earned its spot after readers ranked the company among the top three kitchen and bath remodeling specialists in Orange County.

While Shugarman’s Bath might not be able to directly point to what matters most to Orange County voters, here are factors that have led to a successful remodeling process:

1. Shugarman’s Bath has in-house, full-time, W-2 trained installers instead of subcontractors.
2. The company uses high-quality materials built to last for decades.
3. Most tub and shower remodeling projects are finished in one to two days.
4. The design process is built around the needs of every homeowner.
5. Customers always know what's happening next since the team keeps homeowners updated at every step.

“Making this list for the first time is a big deal and means the world to us,” said Chase Shugarman, President and co-owner of Shugarman’s Bath. “Homeowners recognize the work and care our team puts into their projects. We’re proud knowing that Orange County homeowners recognize we're doing right by them.”

Homeowners considering a tub or shower remodel can schedule a free design consultation with Shugarman's Bath to get started.
