

Chart-Topping Singer-Songwriter Fawn Returns with a Captivating Collection of New Halloween Songs and Remixes

Hit maker Fawn serves up spooky fun with new Halloween tunes “The Gumdrop Growler,” “Magical Night” and “Where Twilight Weaves”

HOLLYWOOD, CA, UNITED STATES, October 1, 2026 /EINPresswire.com/ -- Halloween is getting a little more magical—and a whole lot more mischievous—as Stonedef Records brings back its spooky-season tradition with a collection of original Halloween songs and remixes from Billboard-charting singer-songwriter [Fawn](#).

Internationally known as an award-winning singer-songwriter, recording artist, composer, musician, published author and voice-over artist, Fawn returns this fall with a hauntingly playful collection of music created to capture the imagination of listeners of all ages. Among the upcoming releases are “The [Gumdrop Growler](#),” “[Magical Night](#)” and “Where Twilight Weaves,” all written, performed and recorded by Fawn.

The first release of the season, “The Gumdrop Growler,” arrived Friday, September 25, 2026. Pre-orders for all of Fawn’s upcoming Halloween releases are currently underway.

Written, performed and recorded by Fawn, “The Gumdrop Growler” puts a whimsical spin on the classic werewolf tale, transforming a traditionally frightening creature into a candy-craving character with a mischievous side. Fawn created the song inside her purple-and-bronze-themed sound laboratory, Studio 1888.

Produced by Auckland, New Zealand musician and longtime collaborator Malcolm Smith, the

track combines Fawn's imaginative storytelling with an infectious, family-friendly arrangement. Smith's production gives the song a playful, almost storybook quality, adding to Fawn's growing collection of instantly memorable Halloween hooks.

"The Gumdrops Growler" is part of Fawn's Frightful Fall series, Haunted Halloween Jams—an eerie ensemble of original playful macabre melodies, rare wicked beats, dark night remixes and newly polished phantom soundscapes curated from her personal archival chamber. This marks the second season Fawn has released the Halloween series.

Producer Malcolm Smith said, "It's always fun working with Fawn. She has an amazing imagination and comes up with these wonderful ideas. She writes clever lyrics and melodies that hook you in, while telling her uniquely boo-tiful Halloween stories."

“

Our favorite Halloween song Fawn has written this year is Magical Night. It combines positivity, playful energy and a magical spirit with a catchy hook and infectious beat.

It's the perfect party song"
Stonedef Records, Inc.

Fawn said, "I always enjoy writing and recording Halloween songs. It gives me a chance to connect with 'little Fawn' and bring out the fond memories and wonder from parts of my childhood." She continued, "I think about different things that scared me as a child and write about them. I hope these songs bring fun and fright to kids of all ages for many years to come."

Fawn's creative partnership with Smith spans many years. "I began working with Malcolm many years ago, first

collaborating on jingles before delving into recording songs for film and TV," Fawn explained. "Working with him is effortless and otherworldly—he's incredibly talented—so whenever I create Halloween songs, he is my natural first choice." She added, "Malcolm always brings my original stories to life, I look forward to doing more music together."

Stonedef Records stated, "'Where Twilight Weaves' is a terrifying tale that warns listeners about vampires on the prowl—hence its title. The song is a chilling and imaginative Halloween story that captures the darker side of the season."

The label continued, "One of our all-time favorite Halloween songs Fawn has written is 'Magical Night,' produced by Chad Jack and remixed by Cameron Lasswell as the 'Movida Mix.' This tune is all about the magic, fun, friendships and fears of Halloween. It combines playful energy with positivity and a magical spirit captured by a catchy chorus and infectious beat. It's the perfect memorable Halloween party anthem that kids of all ages will be dancing to."

With its combination of spooky storytelling, playful melodies and imaginative characters, Fawn's Nightmare Fall series continues her tradition of creating Halloween music designed to bring out the childlike wonder of the season—while adding just enough creepiness to keep things interesting.

Fawn's Haunted Halloween Jams Anthology is available on all music platforms.
