CHARLOTTE, NC, UNITED STATES, September 28, 2026 /EINPresswire.com/ -- [C&M Mobile Automotive Repairs](#) has been named People's Choice — Charlotte by the [Consumer Ratings Institute](#), recognizing the company's 4.9-star rating across 105 reviews. The Charlotte-based automotive repair company received the recognition based on publicly accessible consumer review data evaluated by the Institute.

C&M Mobile Automotive Repairs provides professional, full-service automotive repair delivered directly to the customer. Serving Charlotte and surrounding areas in North Carolina, the company brings advanced diagnostics, maintenance, and repairs to homes, workplaces, and roadside locations—giving customers access to professional automotive service without the traditional repair-shop waiting room or the inconvenience of arranging transportation or towing.

Services include advanced diagnostics, brake repair, battery and electrical service, suspension and steering repair, mobile wheel alignments, tire mounting and high-speed balancing, air-conditioning service, preventive maintenance, and fleet repair and maintenance. C&M's technicians use professional diagnostic equipment and real-world experience to identify root causes rather than simply replacing parts, with an emphasis on clear communication, quality workmanship, and recommendations without unnecessary upselling.

“Maegan and I built C&M from the ground up, so receiving recognition based on the experiences of our customers means more to us than I can put into words,” said Corey Tarr, owner of C&M Mobile Automotive Repairs. “Our goal has always been to provide professional automotive repair with honest communication, quality workmanship, and the convenience of bringing the shop directly to our customers. Being chosen by the people we serve makes this recognition especially meaningful.”
