Adding to the milestone, Logistics Plus India Managing Director Manish Malik was individually recognized with the “Logistics Icon of the Decade” award at the same event — a tribute to the leadership and vision that has shaped Logistics Plus India into the organization it is today. Both awards were presented in the presence of Lieutenant General Manoj Kumar Mago, AVSM, YSM, SM (Retd.), Senior Advisor to the BRICS Chamber of Commerce and Advisor to India's Ministry of Skill Development & Entrepreneurship, whose presence lent added prestige to the occasion.

The Excellence in 4PL & Integrated Logistics Services award recognizes Logistics Plus India's end-to-end supply chain capabilities — from freight forwarding and warehousing to project logistics and technology-driven visibility — and the high standards of service delivery the team brings to every client engagement across the region.

“This recognition belongs to our entire Logistics Plus India team,” said Malik. “Every day, our people bring a Passion for Excellence to solving our customers' toughest supply chain challenges, and it's incredibly rewarding to see that work recognized on this stage. I'm proud of how far we've come, and even more excited about where we're headed as Logistics Plus.”

“It was an honor to accept these recognitions in the presence of Lieutenant General Manoj Kumar Mago, AVSM, YSM, SM (Retd.),” Malik added. “His presence, alongside so many respected leaders in Indian logistics, made this milestone even more meaningful for our team.”

The awards were announced alongside Logistics Plus India's completed transition from EVO Supply Chain Pvt. Ltd. to Logistics Plus Private Limited, aligning the India entity's legal name with the global Logistics Plus® brand it has represented in the market.
