

Anticimex Acquires Environmental Pest Management LLC

Anticimex announced the acquisition of EPM marking its entry into the Midwest. The Company will continue to operate under the EPM brand.

COLUMBUS, OH, UNITED STATES, September 29, 2026 /EINPresswire.com/ -- Anticimex, a global leader in pest control, is pleased to announce the acquisition of Environmental Pest Management LLC, a leading pest control company established in 2003, based in Columbus, Ohio. This strategic acquisition marks Anticimex's entry into the Midwest pest control market, further strengthening its position as a leading provider of innovative and sustainable pest management solutions within North America. "We are thrilled to welcome EPM to the Anticimex family," said Sean Steves, President of Anticimex North America. "The Midwest has been an attractive market to Anticimex since Anticimex entered North America and partnering with the Carpenter family was a great cultural fit."

"We're excited for our team members and the opportunities that come along with a partnership like this. Anticimex and EPM have similar core values which is why we felt Anticimex was the right partner to continue growing the business in this new exciting chapter of the EPM journey," said Jason Carpenter, Owner of EPM.

Paul Giannamore and Franco Villanueva-Meyer of The Potomac Company acted as exclusive financial advisors to EPM in the transaction.
