Sherri L. Combs serves as CEO and Founder of both organizations. After more than 30 years in banking and community service, Combs created Silver Streak to connect seniors and families with trusted local providers. The Silver Streak directory spans more than 200 service categories, including home care, transportation, legal services, financial guidance, and housing resources, and serves communities in all 50 states.

The launch brings two missions together under one vision. Silver Streak Senior Services operates the directory, where every listed provider is researched and background-checked before being listed. Silver Streak Senior Solutions, a 501(c)(3) charity, helps low-to-moderate income seniors afford home repairs and modifications and delivers fraud-awareness education nationwide. Directory membership dues fund the nonprofit. The shared vision appears on the event invitation: "Two Missions. One Vision. A Stronger, Safer, Brighter Tomorrow."

The Just-In-Case Plan is part of that mission. The book offers practical direction on long-term care decisions, family conversations, and legacy protection, with the aim of helping families plan before a crisis forces difficult choices. The title has received four awards, including the Next Generation Indie Book Award in the Social Change category and a Four Seasons Book Award, and has reached Amazon bestseller status in four categories.

Guests at the September 30 celebration can meet the Silver Streak team and partners, celebrate the release of The Just-In-Case Plan, and learn how to support Silver Streak Senior Solutions. Complimentary food and beverages will be served. Parking is free, and attire is business casual. "This celebration belongs to all of us," said Combs.

The evening carries the Silver Streak motto, "People Helping People. All Generations. Always." Vetted providers, families, caregivers, and community members committed to senior independence and dignity are expected to attend.
