HOUSTON, TX, UNITED STATES, September 28, 2026 / EINPresswire.com/ -- Ben Dominguez, founder of Ben Dominguez Law Firm, has relaunched the firm's website at benwins.com with English and Spanish sections covering car accident, 18-wheeler, and construction-site injury claims across the Houston metro. Ben Dominguez is a personal injury and car accident trial attorney in Houston, Texas. The relaunched website carries more than 15 case-type pages, an explainer on how injury settlements are calculated, and a published verdict list running from $300,000 to $12.5 million.

The relaunched website adds city pages for Katy, Baytown, League City, Missouri City, and The Woodlands, alongside practice-area pages for truck accidents, premises liability, construction accidents, product liability, and rideshare crashes. A full Spanish version of the site runs under the headline Gana Con Ben and carries the same practice-area structure for Houston's Spanish-speaking residents.

Harris County recorded 115,173 traffic crashes and 579 traffic fatalities in 2024, according to the Texas Department of Transportation report Crashes and Injuries by County. Each of those crash types has a page of its own on the Ben Dominguez Law Firm website, with the firm's contingency-fee terms and a free consultation form stated on the page rather than buried in a footer.
