Infraxio Celebrates Mincy Pollock as 2026 Jacksonville Trailblazer, Welcomes Growth Strategist Vick Fleurimond

Ponte Vedra technology company recognizes its Business Development lead and adds a Growth Strategist to the team

PONTE VEDRA, FL, UNITED STATES, September 29, 2026 /EINPresswire.com/ -- Infraxio, the Ponte Vedra-based technology company founded by Justin Pennington, is recognizing a milestone for Business Development team member Mincy Pollock and welcoming Growth Strategist Vick Fleurimond to the company.

Mincy Pollock, who leads Business Development at Infraxio with a focus on government contracts and partnership cultivation, has been named a 2026 Trailblazer Award winner by the Jacksonville Daily Record. The Daily Record selected 10 recipients from more than 50 nominees across Northeast Florida's business community. The awards honor individuals who stand out for skill, creativity, and know-how in business. Winners will be profiled in the Oct. 15 issue of the Daily Record and honored at a ceremony that evening at The River Club in Downtown Jacksonville.

"Mincy's Trailblazer recognition reflects the same standard we hold ourselves to at Infraxio: practical excellence, clear communication, and real results for the people we work with," said Justin Pennington, founder of Infraxio, Ponte Vedra. "We're proud to have Mincy on the team and excited for Northeast Florida to celebrate this work."

Infraxio is also welcoming Vick Fleurimond as Growth Strategist. Fleurimond joins Infraxio to lead growth engagements spanning marketing channels and client account strategy as the company continues building operator-focused software platforms from its base in Ponte Vedra, Florida.

"We're glad to have Vick with us," Pennington said. "Growing the team with people who care about operators and outcomes is how we intend to keep building Infraxio."

Infraxio develops a portfolio of focused business and operator applications, including platforms that help teams organize complex operational workflows. The company remains based in Ponte Vedra and continues to expand its products and team across Northeast Florida. Team profiles: https://www.infraxio.com/team
