EINPresswire.com/ -- In its first full year of eligibility, [Mother Modern Plumbing](#) won the Silver People's Choice Award for Plumbing in the [2026 Best in DFW Awards](#).

The honor was decided by community vote after a public nomination process. Mother was shortlisted for the awards as one of four Dallas-Fort Worth plumbing services, and was one of only two to earn a People's Choice Award.

"We're over the moon," comments Mother's CEO Dustin Marx. "To be shortlisted for the award as one of four plumbing companies was wonderful recognition. We're so grateful our community took the time to vote and recognize our plumbers."

“

Blue collar brands can operate with transparency and still be profitable. It's rewarding to see the impact we're making reflected in these community voted awards."

The Best of DFW Awards are presented by the Dallas Morning News. 2026 marks the sixth year of the prestigious community honors, which highlight the best businesses and services in the DFW Metroplex as voted on by local residents.

In their 2026 awards overview, Dallas Morning News journalist Mary Grace Granados remarks that "Best in DFW

lets readers spotlight the local shops, restaurants and businesses they love the most."

The awards are an opportunity for local business owners to gauge their impact and reputation in

the DFW communities they serve.

“The thing about Best in DFW, we find out what our customers and our neighbors think about us,” Marx says. “It’s a direct reflection on the service we provided over the last year.”

The honor marks the third such public recognition for Mother Modern Plumbing in 2026. Earlier this year, Mother earned Bronze - Best Plumbing Service in 2026 DFW Favorites, presented by the Fort Worth Star-Telegram. The company was also named [Best Plumbing Service in Dallas](#) by the staff of DBest.co.

Marx suggests the display of community engagement proves his company’s mission to disrupt the status quo of plumbing in Dallas is working.

“Better service matters,” Marx states. “Blue collar brands can operate with transparency and still be profitable. It’s rewarding to see the impact we’re making reflected in these community voted awards.”
