“

Doobie's vocals, musicianship, and productions are elite. He's a musician's musician and a producer's producer... add his catalog, this makes him a true musical giant”

Jay Roberts, JRoberts Management

Management announces The Perfect Remedy Tour, a fourteen date East Coast run split into two legs, with the first leg starting in September and ending in December 2026. The second leg will kick off in Spring 2027, with cities and dates to be announced in January 2027. The tour is headlined by Doobie Powell, a living legend and iconic, genre blending vocalist, producer, and multi instrumentalist known for delivering a premium live experience rooted in musicianship, soul, and spiritual depth. A Nord Keyboards endorsed artist, he brings expressive keys, soulful vocals, and groove forward musicianship to listening rooms and curated stages. Born

into a musical family as the son of the late great jazz legend Hubert Powell Jr. and powerhouse vocalist Jacquelyn Powell, his artistry is defined by depth, feel, and authenticity. As seen and heard with Harry Connick, Jr., Robert Glasper, Kelly Price, Tonex, Kim Burrell, Karen Clark Sheard, and countless others.

The setlist and tour theme are inspired by Powell's latest release, Remedy. The 15 track album, released in 2024, is a meaningful part of his personal healing journey.

This is not a gospel tour. This is a Doobie Powell experience, built on decades of moments, passion, and purpose. Audiences can expect a powerful blend of jazz, neo soul, funk, and groove forward artistry, delivered with the spirit and life of a living legend stepping back on stage with a message and a mission. The Perfect Remedy Tour is for the broken, tired, strong, weak, and those actively seeking their way back to themselves.

The tour opens with a special kickoff show in Baltimore at Keystone Korner on September 30th

This kickoff is the only show on the tour with a livestream option, giving supporters everywhere the chance to tap in from wherever they are in the world. Livestream tickets are 15 dollars. ARTIST STATEMENT DOOBIE POWELL

"The 1st of many! I'm honored and grateful to be able to give you a piece of my mind musically. After almost 2 years of health challenges, I'm finally getting back to doing what I love and I'm ready for the world to hear my story and my passion through it. Along with my brothers and music families across the globe, we're ready to tell the story together. My father, my hero, left legacy for me to walk in and follow and now because of it, I'm able to start working on mine. God allowed me to be able to create this album called Remedy and after releasing this project, I never would imagine that this body of work would be a major part of my healing. So this is why we named this tour The Perfect Remedy Tour. So go get your tickets for all of these cities, so you can be a part of this epic history making!"
