

Amplify, Inc Hosts Their 3rd Annual Back to School Supply Drive

WOODBRIIDGE, NJ, UNITED STATES,
September 29, 2026 /

EINPresswire.com/ -- [Amplifyfy, inc](https://www.amplifyfy.com) is proud to announce the successful completion of its 3rd Annual School Supply Drive, an ongoing community initiative dedicated to helping local students begin the school year prepared, confident, and equipped for success.

This year, employees, leadership, and community members came together to collect essential school supplies for students at Woodbridge Middle School. The donated items will help provide students with resources they need throughout the school year while supporting teachers and families within the local community.

“We believe that supporting our community starts with investing in the people who make it stronger,” said Kimberly P, Head of HR of Amplifyfy, Inc. “Our annual school supply drive is something our team looks forward to every year, and we’re grateful for everyone who contributed. Being able to give back to local students and educators makes this initiative especially meaningful. This year felt extra special, being a Woodbridge Middle School Alumni, it was great going back to see everyone and just donate supplies that we know will be utilized.”

Now in its third year, the annual supply drive has become an important part of Amplifyfy’s commitment to community involvement and giving back. The company encourages its employees to participate in initiatives that create a positive impact beyond the workplace.

Amplifyfy, Inc would like to thank its employees, partners, and community members who contributed supplies and helped make this year’s drive possible. The company looks forward to continuing the tradition and supporting local schools and families for years to come.
