Orthopedics is proud to announce the opening of its newest multidisciplinary clinic at 2 Route 37 East in [Toms River](#), marking its first location in Ocean

County and expanding access to elite orthopedic care across New Jersey.

The Toms River clinic brings Alliance Orthopedics' integrated model of care to Ocean County, giving patients access to orthopedic specialists and conservative care providers working together

under one roof. Services include [orthopedic spine care](#), pain management, hand, wrist, and elbow care, foot and ankle care, joint and extremity care, [sports medicine](#), vein care, physical therapy, occupational therapy, and chiropractic services.

“

We want every patient who walks through our doors to feel supported, confident in their care, and inspired by what is possible as they work toward getting Better Everyday.”

of Alliance Orthopedics*

Designed to provide a seamless experience from diagnosis through recovery, the facility combines specialized medical care, rehabilitation, and advanced treatment technology.

Patients will have access to the AlterG Anti-Gravity Treadmill, Class IV Laser Therapy, Shockwave Therapy,

VALD HumanTrak Movement Analysis, dry needling, and the DRX9000 Decompression System. These technologies support personalized treatment and provide additional options for those recovering from injuries, surgery, and musculoskeletal conditions.

The clinic also introduces a state-of-the-art Recovery Suite, extending care beyond traditional therapy. The dedicated space features Normatec Compression Therapy and cold plunges, providing additional resources to support recovery following therapy.

“Opening in Toms River is an exciting milestone for Alliance and an opportunity to become part of a new community,” said Dr. John Cho, Medical Director of Alliance Orthopedics. “We want every patient who walks through our doors to feel supported, confident in their care, and inspired by what is possible as they work toward getting Better Everyday.”

Alliance Orthopedics Toms River opened its doors to the public on Monday, September 28.

A Grand Opening Event will be held on Saturday, November 21, from 10:00 AM to 1:00 PM at 2 Route 37 E, Toms River, NJ. Patients, neighbors, family, and friends are all invited to tour the facility, meet the care team, enjoy demonstrations of advanced treatment modalities and recovery technology, and celebrate the opening with the entire Alliance Orthopedics community.

The opening of the Toms River clinic reflects Alliance Orthopedics’ continued commitment to expanding access to musculoskeletal care throughout New Jersey while creating an experience that empowers patients to move better, feel better, and continue getting Better Everyday.
