Dr. Laurence C. Breiterman of Advanced Dental Techniques awarded as 2026 NJ Top Dentist based on merit

Dr. Laurence C. Breiterman of Advanced Dental Techniques

WAYNE, NJ, UNITED STATES, September 29, 2026 /EINPresswire.com/ -- Dr. Laurence C. Breiterman of Advanced Dental Techniques has been reviewed and approved by NJ Top Dentists based on merit for 2026. Dr. Breiterman is known for putting patients first, taking the time to explain every treatment option so individuals can make confident, informed decisions about their oral health, both now and for years to come.

From the very first phone call through every visit, patients at Advanced Dental Techniques experience a welcoming environment centered on comfort, trust, and personalized care. With more than 30 years of experience, Dr. Breiterman combines skill, experience, and a dedication to staying at the forefront of modern dentistry. A graduate of the University of Medicine and Dentistry of New Jersey, he has completed over 3,000 hours of advanced continuing education and earned the prestigious Mastership Award from the Academy of General Dentistry—an achievement held by fewer than 2% of dentists across North America.

Dr. Breiterman provides a wide range of advanced dental services designed to meet each patient’s unique needs. His practice incorporates modern technology such as same-day crowns and digital 3D scanning, along with specialized procedures including bone and tissue grafting and laser periodontal therapy. For patients who feel anxious about dental visits—or those requiring more extensive restorative work—sedation options are available, allowing many treatments to be completed comfortably in one convenient location without multiple referrals.

One of the practice's standout areas of expertise is dental implant placement and restoration. With a remarkable 99% success rate, Dr. Breiterman has helped countless patients restore both the function and beauty of their smiles, giving them renewed confidence in their daily lives. "Our patients, especially those requiring extensive restorative work, can have all their needs met here without being referred elsewhere," noted Dr. Breiterman. "Seeing their renewed confidence after transformative full-mouth rehabilitations is immensely rewarding."

Outside of the office, Dr. Breiterman is passionate about giving back to the community. He participates in programs such as Give Back A Smile, which restores the smiles of domestic violence survivors, and NJ Give Kids A Smile, providing free dental care to underserved children. Through these initiatives, he continues to make a meaningful difference both inside and outside the dental chair.

At Advanced Dental Techniques, dentistry goes beyond procedures—it's about building lasting relationships and helping patients achieve healthy, confident smiles that last a lifetime.
