Dr. Cecilio P. Po of GPC Dental Recognized as a 2026 NJ Top Dentist

NJ Top Dentists has reviewed and approved Dr. Cecilio P. Po of GPC Dental based on merit for 2026.

Dr. Cecilio P. Po

CEDAR GROVE, NJ, UNITED STATES, September 29, 2026 / EINPresswire.com/ -- GPC Dental is proud to announce that Dr. Cecilio Po has been named a 2026 NJ Top Dentist, an honor awarded to some of the state's most respected dental professionals. The NJ Top Dentists organization recognizes providers who demonstrate exceptional skill, experience, and dedication to patient care—qualities that Dr. Po brings to his practice every day.

Dr. Po's path to dentistry is anything but ordinary. Before opening GPC Dental in 2011, he built a successful career in business after graduating from the NYU Stern School of Business. Working with leading investment banks and technology consulting firms, he developed expertise in strategy and innovation before ultimately pursuing his true passion—helping people through dentistry. He went on to earn his dental degree from the University of Medicine and Dentistry of New Jersey (now Rutgers School of Dental Medicine) and completed his residency at Overlook Hospital in Summit, New Jersey.

> "Being named a Top Dentist is an incredible honor, but the real reward is the trust my patients place in me every single day."
>
> *Dr. Po*

At GPC Dental, Dr. Po focuses on more than just treating dental problems—he's committed to helping patients achieve lasting oral health. His philosophy centers on identifying and addressing the root cause of issues rather than offering temporary fixes. To support this approach, the practice incorporates modern dental technology designed to improve both efficiency and comfort. One example is air polishing, an advanced hygiene technique that removes stains and plaque while polishing teeth

at the same time, making cleanings faster and more comfortable for patients.

Patients often comment on Dr. Po's gentle and precise approach to care, particularly when it comes to injections. Many say they barely feel them at all, helping ease the anxiety that often comes with dental treatment. His training in laser dentistry also allows certain procedures, including some fillings, to be completed without traditional drills or injections—providing a minimally invasive option that can make a significant difference for nervous patients.

Dr. Po is deeply committed to continuing education and staying at the forefront of dental advancements. He completed an intensive two-year Implantology program at NYU and is BIOCLEAR-certified, allowing him to offer conservative cosmetic treatments that can serve as alternatives to crowns. He also treats TMJ disorders using Botox therapy. Dr. Cecilio Po has completed the IV Sedation certification course at St. Joseph's Medical Center. With this advanced training, he will soon begin offering sedation dentistry designed specifically for anxious or apprehensive patients, enhancing comfort and making dental care more accessible to all. Additionally, he is an active member of an elite Invisalign study group that includes many of the Top 1% Invisalign providers in the country, ensuring he remains at the forefront of clear aligner treatment and smile design.

Continuing his commitment to accessible, patient-centered care, Dr. Po is also expanding GPC Dental's services through portable dentistry, providing care to patients in nursing homes, memory care communities, and through house calls for those who may have difficulty visiting a traditional dental office. Recognizing the growing number of patients seeking quality dental care without insurance, GPC Dental has also implemented a membership plan designed to make preventive and restorative treatment more affordable and accessible.

Through his #BrushAmerica initiative, GPC Dental has donated more than 2,200 toothbrushes to organizations such as Eva's Village in Paterson and The Goodwill Rescue Mission in Newark—helping ensure that more individuals have access to basic oral care.

"I truly love what I do," Dr. Po shares. "Dentistry is about helping people feel better, live better, and smile brighter. Being named a Top Dentist is an incredible honor, but the real reward is the trust my patients place in me every single day."

New patients are always welcome at GPC Dental! Discover high-tech, compassionate, and award-winning care that makes going to the dentist something to smile about. Call 973-239-5400 or email office@gpcdental.com to book your visit.
