

Technology company Nebi Joins CCW Europe 2026 as Silver Sponsor and Exhibitor

International tech company Nebi will showcase its approach to AI-powered customer support and data-driven customer experience at CCW Europe Summit in Amsterdam

LONDON, UNITED KINGDOM, September 30, 2026 / EINPresswire.com/ -- [Nebi](#), a SaaS ecosystem focused on data, automation and optimisation, will participate in CCW Europe Summit 2026 as a Silver Sponsor and exhibitor, taking place from 5–7 October 2026 in Amsterdam.

As customer expectations continue to evolve and AI becomes increasingly embedded in customer service, businesses are looking for ways to make interactions more efficient while gaining greater value from the data generated through everyday customer conversations. At CCW Europe, Nebi will join customer experience and service leaders to explore how technology, AI and actionable insights can help organisations adapt to this changing landscape.

At Booth 50, Nebi will showcase [Unvox](#), its intelligent customer support solution that combines live chat, AI-powered assistance and analytics to help businesses improve service operations while turning customer communication into actionable business insight.

The summit's 2026 programme will bring together leaders across customer experience, customer service and digital transformation, with discussions spanning customer journeys and experience, data and insights, technology and AI, operations and strategy, and innovation and the future.

These themes closely align with Nebi's approach to business technology. Through solutions including Unvox and Tikito, Nebi helps organisations connect customer communication,

intelligent automation and operational data to create more efficient and connected customer service environments.

Beyond its exhibition presence, Nebi will use the event to connect with CX and customer service professionals, exchange perspectives on the future of customer operations, and discuss how businesses can move from simply collecting customer data to turning it into meaningful action.

CCW Europe Summit 2026 takes place from 5–7 October 2026 at Passenger Terminal Amsterdam. Visitors can meet the Nebi team at Booth 50 throughout the event.

About Nebi

Nebi is a SaaS ecosystem powered by data, automation and optimisation, helping businesses streamline operations, improve customer experiences and make more informed decisions. Its ecosystem includes solutions for customer support, request management, HR and identity verification, including Unvox, Tikito, Dohris and [Egofy](#).
