Dec-O-Art Supports Care Camps Foundation With $16,610 Contribution and Custom Camp Gifts

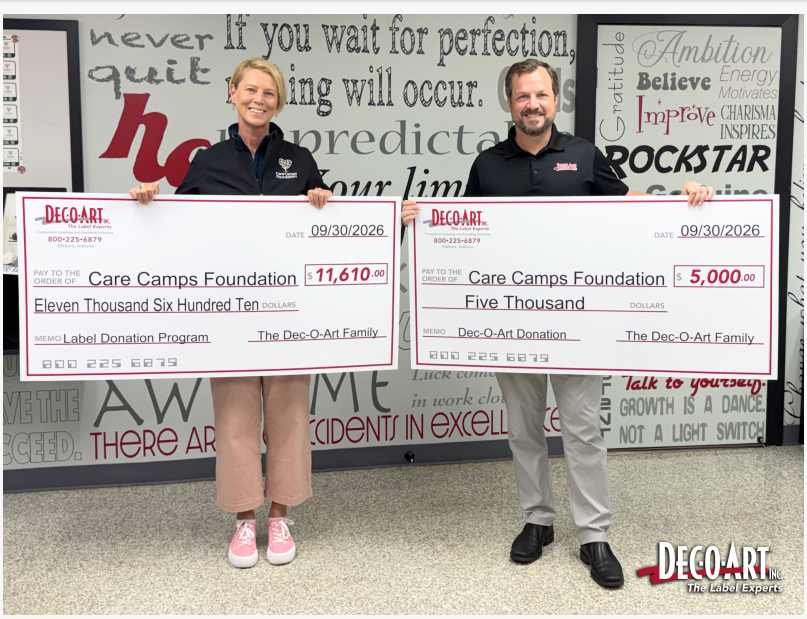

ELKHART, IN, UNITED STATES, October 1, 2026 /EINPresswire.com/ -- Dec-O-Art is continuing its support of Care Camps Foundation through a co-branded decal program that helps fund healing camp experiences for children with cancer and their families.

For Dec-O-Art, decals represent more than a product. Through a co-branded decal created in partnership with Care Camps Foundation, every sale helps fund healing camp experiences for children facing cancer and their families. Each order is a small act with a meaningful result, giving customers a direct role in bringing hope and joy to children during one of the most difficult times in their lives.

In 2025, Care Camps Foundation supported 125 pediatric oncology camps across the United States and Canada, reaching more than 47,000 children, parents, and siblings. At camp, children are not defined by their diagnosis. They are simply campers, making friends, building confidence, and creating lasting memories alongside others who truly understand what they are experiencing.

Through its 2026 co-branded decal sales, Dec-O-Art is contributing $11,610 to Care Camps Foundation. Beyond the decal program, Dec-O-Art is providing an additional $5,000, bringing its total contribution to $16,610. This combined contribution is one small part of helping make meaningful camp experiences possible for children with cancer and their families.

"Supporting Care Camps Foundation is incredibly meaningful to our team," said Alexis Sindle, Sales Operations Manager of Dec-O-Art. "Every purchase goes further than the product itself. It helps give a child and their family a moment of joy during an incredibly difficult time. We are proud of what this partnership makes possible, and we look forward to growing it."

Every family deserves the opportunity to create joyful memories together, especially during life's most challenging moments. For an industry built around family, travel, and time together, the connection to Care Camps Foundation is a natural one. As a manufacturer of trailer labels, RV safety labels, and marine safety labels, Dec-O-Art believes its commitment to families extends beyond the products it manufactures, and this partnership is one meaningful way of putting that belief into action.

This year, Dec-O-Art is expanding its support by putting its craft directly into the cause. The company designed and printed custom decals in-house, and Dec-O-Art team members personally applied them to three custom Jenga sets. The company also created handwritten inspirational cards for children with cancer attending camp.

"Partnerships like this demonstrate the incredible impact that is possible when businesses come together to support children with cancer," said Jenna Berneck, Development Director of Care Camps Foundation. "Every Jenga set, every handwritten card, and every act of kindness helps make camp experiences possible where children can experience joy, belonging, and the healing power of the outdoors. These thoughtful gifts remind children and their families that an entire community is cheering them on, and we are deeply grateful to Dec-O-Art for helping create those moments."

To learn more about the important work Care Camps Foundation is doing or to support its mission, visit www.carecamps.org. Every contribution helps give more children and families the opportunity to experience the healing, friendship, and joy that camp provides.
