ABOUT THUMBS UP MEDIA LLC
Thumbs Up Media LLC is a full-spectrum faith-driven media company that unites book publishing and original music production under one powerful, purpose-built brand. MEET THE FOUNDER: MARIO PETERS

Mario Peters is a Christian author, publisher, and worship music artist from Brandon, Mississippi, whose creative work bridges the disciplines of literature, theology, and original music composition. His journey as a content creator is unified by a single driving purpose: to use every creative medium available — print, digital, audio, and video — to advance the Gospel and equip the body of Christ.

As an author, Peters' work spans Christian fiction novellas that explore real-world faith journeys and spiritual warfare, teaching manuscripts crafted for Bible study and ministry training, and faith-based instructional books designed to ground readers firmly in the Scriptures. His writing is characterized by theological intentionality, narrative accessibility, and a consistent reliance on the King James Version as its scriptural foundation.

As a worship songwriter and independent music artist, Peters writes and produces original Christian music that integrates KJV Scripture directly into the lyrical fabric of each composition. His production sensibilities lean cinematic — layered, emotive, and contemporary — while his thematic focus remains anchored in authentic worship and biblical declaration. Together, his literary and musical catalogs form the creative cornerstone of Thumbs Up Media LLC and reflect the full range of his calling as a faith-based media creator.
