Diabetes, Thyroid & Hormone Center of the Treasure Coast Welcomes Tori Vogel to Its Vero Beach Practice

Tori Vogel joins Diabetes, Thyroid & Hormone Center of the Treasure Coast, expanding access to specialized endocrine care in Vero Beach.

TORI VOGEL

VERO BEACH, FL, UNITED STATES, October 2, 2026 /EINPresswire.com/ -- # Tori Vogel Joins Diabetes, Thyroid & Hormone Center of the Treasure Coast in Vero Beach

New provider will begin seeing patients October 26, expanding access to specialized diabetes, thyroid, hormone, and metabolic care in Vero Beach.

Diabetes, Thyroid & Hormone Center of the Treasure Coast is pleased to announce that **Tori Vogel** will officially join the practice and begin seeing patients on **October 26, 2026**, at its Vero Beach office located at **787 37th Street, Unit E120, Vero Beach, Florida**.

The addition of Vogel represents another step in the practice's continued growth and commitment to improving access to specialized endocrine and metabolic care for patients in Vero Beach, Indian River County, and throughout Florida's Treasure Coast.

Expanding Endocrine Care in Vero Beach

Diabetes, Thyroid & Hormone Center of the Treasure Coast focuses on evaluating and managing endocrine, hormonal, and metabolic conditions.

The practice serves patients with a broad range of concerns, including **diabetes, thyroid disorders, Hashimoto's thyroiditis, metabolic disorders, weight-management needs, and other hormonal and endocrine conditions**.

> We are excited to welcome Tori Vogel to our team as we continue expanding access to personalized, high-quality endocrine care for patients throughout the Treasure Coast."
>
> *Ahmet Ergin MD*

As demand for specialized endocrine care continues to grow, adding another provider will increase appointment availability and provide additional access for both new and established patients.

Vogel will work alongside the practice's clinical team, emphasizing individualized care and helping patients better understand and manage their health.

A Personalized Approach to Endocrine and Metabolic Health

Endocrine conditions can affect many aspects of a person's health, including metabolism, energy, weight, blood sugar, cardiovascular risk, and overall well-being.

At Diabetes, Thyroid & Hormone Center of the Treasure Coast, the goal is to look beyond an isolated laboratory value and evaluate the patient's overall clinical picture.

The practice emphasizes careful evaluation, appropriate diagnostic testing, evidence-based treatment, patient education, and ongoing monitoring. Treatment plans are individualized according to each patient's medical history, symptoms, laboratory findings, medications, lifestyle, and health goals.

Adding Tori Vogel supports this patient-centered model while allowing the Center to serve more individuals seeking specialized care in the Treasure Coast region.

Diabetes, Thyroid and Hormone Services

Patients come to Diabetes, Thyroid & Hormone Center of the Treasure Coast for evaluation and ongoing management of a variety of endocrine and metabolic concerns.

Areas of care include:

- Type 1 and type 2 diabetes
- Prediabetes and insulin resistance
- Thyroid disease
- Hypothyroidism and hyperthyroidism
- Hashimoto's thyroiditis
- Thyroid nodules
- Hormonal and endocrine disorders
- Metabolic health concerns

- Weight management
- Other conditions involving the endocrine system

The practice combines medical management with patient education and long-term follow-up, particularly for chronic conditions such as diabetes and thyroid disease that often require ongoing monitoring and adjustment.

Serving Vero Beach and the Treasure Coast

Conveniently located in Vero Beach, Diabetes, Thyroid & Hormone Center of the Treasure Coast serves patients from **Vero Beach, Sebastian, Fort Pierce, Port St. Lucie, and surrounding Treasure Coast communities**.

The addition of Vogel is intended to improve local access to specialty care and give patients another option for ongoing endocrine and metabolic management.

"We are excited to welcome Tori Vogel to our team and to continue expanding the care we can provide to our community," the practice stated. "Our goal has always been to give patients access to thoughtful, individualized endocrine care while making sure they feel heard and involved in their treatment."

Appointments Beginning October 26

Tori Vogel will officially begin seeing patients on October 26, 2026, at the Vero Beach office.

New and established patients interested in scheduling with Vogel may contact the practice for appointment availability.
