The recognition was presented during the 2026 BBB Awards for Excellence on September 30 and honors businesses that demonstrate a commitment to quality, customer service, ethical business practices and excellence in the communities they serve.

For Nailed It Roofing Pros, the award represents an important milestone as the company continues expanding its presence throughout the Greater Houston area.

“We started Nailed It Roofing Pros with a very simple belief: if you take care of people, communicate honestly and refuse to cut corners, you can build something that lasts,” said Colt Laird, Owner of Nailed It Roofing Pros. “Receiving this recognition from the Better Business Bureau means a great deal to our entire team because those are the same values we try to bring to every homeowner and business we serve.”

Nailed It Roofing Pros provides commercial and residential roofing services throughout Greater Houston, including roof inspections, repairs, replacements, storm damage restoration, emergency roofing services and new roof installations.

With more than 40 years of combined roofing and construction experience across its team, the company has built its approach around straightforward recommendations, quality workmanship and helping property owners make informed decisions about their roofs.

“Most people don't think about their roof until something goes wrong,” Laird said. “When a homeowner is dealing with a leak or storm damage, they're not just looking for someone who

can install shingles. They're trusting someone with their home. We take that responsibility seriously."

The BBB Awards for Excellence recognize businesses and nonprofit organizations throughout the Greater Houston and South Texas region that demonstrate a commitment to quality and trust in the marketplace. Being named a Winner of Distinction reflects Nailed It Roofing Pros' focus on delivering a high level of service while building lasting relationships with its customers and community.

The recognition comes as Nailed It Roofing Pros continues growing its residential and commercial roofing operations throughout communities including Magnolia, Tomball, The Woodlands, Cypress, Spring, Conroe, Katy and the Greater Houston area.

"This award belongs to our entire team," Laird added. "From the first phone call to the final inspection, there are a lot of people who have to care about doing the job right. I'm proud of what our team has accomplished, grateful to the customers who have trusted us with their homes and businesses, and excited about what we're building for the future."
