

Dry1Out Launches Franchise Opportunity, Bringing Established Restoration Model to New Markets

The restoration company is expanding its footprint after more than two decades serving property owners, offering franchising opportunities in select markets.

HAYWARD, CA, UNITED STATES,
October 5, 2026 /EINPresswire.com/ --
Dry1Out, a California-based restoration

company specializing in 24/7 emergency restoration services for water, fire, mold, and other property damage, has officially launched its franchise opportunity.

With its franchise launch, Dry1Out is seeking entrepreneurs interested in entering the restoration industry and bringing property recovery services to new communities. Current franchise opportunities are available in Arizona, Nevada, California, Texas, Tennessee, North Carolina, Georgia, and Florida, as well as parts of Canada. New territories are expected to open in other states in the future.

Franchise partners receive training, operational guidance, marketing support, and the processes and resources needed to establish and operate their local restoration businesses. Dry1Out also helps franchise partners connect with financing solutions designed to help qualified candidates move toward business ownership.

Dry1Out operates in a growing industry, with the need for restoration services supporting continued market expansion. The U.S. disaster restoration services market is projected to grow to \$23.28 billion by 2031, according to a report from [Mordor Intelligence](#).

Operating since 1998, the company handles projects ranging from emergency water extraction and structural drying to fire and smoke cleanup, mold remediation, biohazard cleanup, and reconstruction. Dry1Out also has experience with large-loss commercial restoration and manages projects from initial response through repair and reconstruction.
