Advent Care Wins People's Choice, Skokie Award From Consumer Ratings Institute

SKOKIE, IL, UNITED STATES, October 6, 2026 /EINPresswire.com/ -- Families across the Chicago area have given Advent Care, LLC a perfect 5.0-star rating, earning the Skokie home care provider the People's Choice, Skokie award from the Consumer Ratings Institute. The award is based on the company's overall reviews. It recognizes Advent Care's reputation for caring, dependable in-home support for older adults and the families who love them.

Choosing care for an aging parent or loved one is one of the most personal decisions a family can make. Advent Care, a local family business, was built with that in mind. The company draws on a personal background in care services and a deep understanding of what it means to be a caregiver. Its goal is to help seniors stay safe and comfortable at home while keeping their dignity and quality of life. Families describe the result as peace of mind that money simply cannot buy.

Advent Care provides in-home caregiving along with care coordination and placement. The team carefully matches each client with a trained caregiver who fits their needs and personality. It is known for responding quickly when families need help, often on short notice. Company leadership stays directly involved in each client relationship, and the team works to treat every client like family from day one.

The company's work is guided by four core values: compassion, integrity, professionalism and continuous improvement. From its office on Dempster Street in Skokie, Advent Care serves families throughout Cook, DuPage, Lake and McHenry counties.

The People's Choice recognition reflects the trust families have placed in Advent Care. It also shows the difference a responsive, personal approach can make when a loved one needs support at home.
