

NAE Cleaning Solutions Expands Commercial Cleaning Services Across Central Texas

Austin-based commercial cleaner NAE Cleaning Solutions is expanding, now serving businesses in Round Rock, Cedar Park, Hyde Park, Leander and Pflugerville.

AUSTIN, TX, UNITED STATES, October 7, 2026 /EINPresswire.com/ -- [NAE Cleaning Solutions](#) has served Austin, TX, business owners since 2013. With this expansion, the company grows its reach in the community and continues to offer customized commercial cleaning solutions to a growing number of businesses.

NAE Cleaning Solutions has announced the expansion of its commercial cleaning services across Central Texas, extending its service coverage to businesses and organizations in several communities throughout the Austin metropolitan area.

The expanded service area includes Round Rock, Cedar Park, Hyde Park, Leander, and Pflugerville, in addition to the company's existing service coverage in Austin. The expansion is intended to provide local businesses with access to professional cleaning and janitorial services tailored to the requirements of different commercial facilities.

"Expanding our commercial cleaning services across Central Texas allows us to serve more organizations while building on the work we have established in the Austin area," said Jason Behn, President of NAE Cleaning Solutions. "Our focus is on developing cleaning programs that align with the individual requirements, schedules, and operating environments of the facilities we serve."

NAE Cleaning Solutions offers a wide range of cleaning services built for workplaces and other professional settings. This includes commercial office cleaning, janitorial services, floor care, carpet cleaning, window cleaning, commercial disinfection, and specialized cleaning for a variety of facility types.

Commercial Cleaning Services for Central Texas Businesses

Businesses across Central Texas operate in different kinds of spaces. No two spaces have the same cleaning needs. Office buildings differ from medical facilities. Schools differ from churches. Retail properties bring their own set of challenges too. Their cleaning schedules and maintenance approaches differ too.

NAE Cleaning Solutions creates cleaning plans based on each facility's needs. We consider facility size, traffic levels, operating hours, and areas that need regular care. Our [office cleaning services](#) help businesses maintain clean and organized workspaces.

The company's commercial cleaning services can cover common areas, offices, and restrooms. It covers break rooms, floors, and carpets as well. Recurring schedules work around your operating hours. That way, employees, customers, and visitors face fewer disruptions.

Businesses run in all kinds of commercial and professional settings. No matter the setting, clean facilities remain a core part of daily property management.

Regular cleaning keeps workplace standards consistent. It also keeps high-traffic areas looking their best. NAE Cleaning Solutions provides cleaning programs based on each facility's needs.

Expanding Service Coverage Across the Austin Region

The addition of Round Rock, Cedar Park, Hyde Park, Leander, and Pflugerville expands NAE Cleaning Solutions' reach across communities surrounding Austin.

The company's expanded coverage reflects the need for commercial facilities to maintain consistent cleaning standards as businesses grow and workplace environments become increasingly focused on cleanliness, maintenance, and the overall condition of their facilities.

This expansion also lets NAE Cleaning Solutions reach more local businesses, property managers, and facility managers throughout the Austin area.

Cleaning needs look different depending on the property. A small office doesn't need what a large commercial facility needs. That's why flexible scheduling and facility-specific plans matter, no matter the size of the space.

NAE Cleaning Solutions will continue providing commercial cleaning and janitorial services to businesses throughout its expanded Central Texas service area.

Businesses and organizations in Austin, Round Rock, Cedar Park, Hyde Park, Leander, and Pflugerville can contact NAE Cleaning Solutions to learn more about available commercial cleaning services and service coverage.
