24/7 Emergency Room

West Village Emergency Room has announced the launch of the West Village ER Community Scholarship, a \$1,000 scholarship created to support a graduating high school senior from the

West Houston community as they pursue college, university, trade school or another accredited post-secondary program.

“

We care for families during some of their hardest moments. This scholarship lets us be part of one of the exciting ones—the beginning of a student's future.”

Vivian Nriagu

The scholarship is part of West Village ER's commitment to supporting the families and communities it serves throughout West Houston, the Energy Corridor, Copperfield and surrounding neighborhoods.

“Being part of a community means more than being available when someone has an emergency,” said Dr. Vivian Nriagu, Medical Director of West Village Emergency

Room. “It also means investing in the young people who will shape its future. We created this scholarship to recognize a local student and provide a little support as they take their next

step.”

Supporting Students Across West Houston

West Village ER is sharing the scholarship opportunity with graduating seniors at high schools throughout its surrounding communities, including Cypress Ridge High School, Cypress Falls High School, Cypress-Fairbanks High School, Jersey Village High School, Langham Creek High School, Stratford High School, Westside High School, Memorial High School, Houston Christian High School, The Village School and Westchester Academy for International Studies. Eligible graduating seniors from participating area high schools are encouraged to apply.

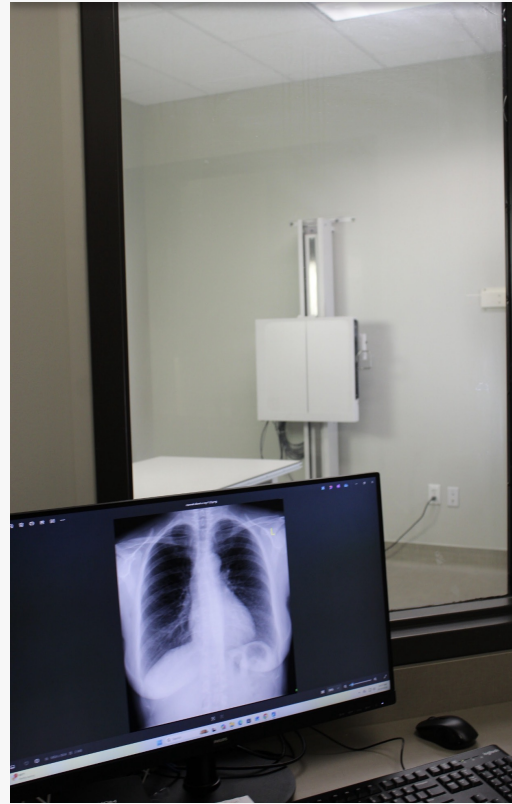

The scholarship is intentionally open to students pursuing a variety of paths after graduation, including four-year universities, community colleges, and accredited vocational or trade programs.

Scholarship Details

The West Village ER Community Scholarship will award \$1,000 to a graduating high school senior. Applicants will submit a 300–500 word essay responding to one of several prompts designed to give students an opportunity to share their experiences, perspectives and aspirations.

Essay topics include:

- A Challenge That Changed Me: Describe an experience that challenged you and what you learned from it.
- One Change I Would Make: If you could change one thing about your school or community, what would it be and why?
- Someone Who Shaped Me: Tell us about a person whose influence helped shape who you are today.
- The Future I Want to Build: What impact do you hope to make through your education, career

Investing in the Community Beyond Emergency Care

West Village Emergency Room provides 24-hour emergency care to [adults and children](#) in West Houston and surrounding communities. The scholarship program expands that community commitment beyond the walls of the emergency room by investing directly in a local student's future.

“We see the families in our community every day,” Nriagu said. “This gives us an opportunity to meet them during a very different kind of moment—not an emergency, but the beginning of something exciting.”

West Village ER plans to work directly with local high school counselors to distribute scholarship information and encourage eligible seniors to apply.
