

Versa AI Is Now Candor AI

Candor AI delivers custom conversational AI as a service for enterprises. The company designs, builds, integrates, and runs the AI in your own environments.

AUSTIN, TX, UNITED STATES, October 8, 2026 /EINPresswire.com/ -- Versa AI today announced that it has changed its name to Candor AI. The company, its team, its service and its client programs are unchanged. Candor AI's website is <https://candorcx.ai>.

Candor AI delivers custom conversational AI as a service for enterprise care and CX. The company designs, builds, integrates, runs and improves conversational AI inside each client's own environment, across voice, chat and messaging, and bills only for resolutions, with no platform fee, no implementation fee and no minimum.

Candor AI was founded and backed by global AI and CX leaders from the world's best brands and the leadership of an international BPO. It is in production at enterprise scale for some of the largest care orgs in the world.

The company's LinkedIn page, previously Versa AI, will be renamed Candor AI.
