GODDESS RETREATS RECEIVES FOUR GLOBAL LUXE GLOBAL AWARDS FOR WOMEN-ONLY WELLNESS

BALI, INDONESIA, October 9, 2026 /EINPresswire.com/ -- Goddess Retreats has received four international titles at the LUXE Global Awards, recognised as Best Exclusive Women's Sanctuary & Spa Retreat Globally, Best Women-Only Exclusive Cultural & Spa Retreat Globally, Best Women-Only Relaxation & Spa Retreat Globally and Best Women-Only Wellbeing & Spa Retreat Globally.

Goddess Retreats Seminyak Oasis Pool

Created exclusively for women, Goddess Retreats offers immersive experiences centred around wellness, connection and personal renewal. Its retreats combine spa treatments, mindful practices, movement, nutrition and cultural experiences, creating an environment where guests can step away from everyday routines and focus on themselves.

A strong connection to local culture is woven into the retreat experience, allowing guests to explore the traditions, landscapes and wellbeing practices of each destination while enjoying the comfort and support of a dedicated women's retreat.

The spa and wellness programme forms the foundation of the experience, with carefully designed treatments and activities encouraging guests to relax, restore and reconnect. The women-only environment also creates a sense of community, with shared experiences balanced by opportunities for quiet reflection and personal time.

Rather than positioning wellness as a single treatment or activity, Goddess Retreats takes a more holistic approach, bringing together physical wellbeing, relaxation, cultural discovery and meaningful connection within one retreat experience.

The four LUXE Global Awards recognise the breadth of this concept, highlighting Goddess

Retreats' ability to deliver exclusive women's sanctuary, cultural, relaxation and wellbeing experiences on an international level.

The LUXE Global Awards recognise exceptional hotels, resorts, spas and restaurants worldwide, with winners determined through the annual public voting process, alongside independent evaluation and international recognition for selected major awards.

For Goddess Retreats, these honours celebrate a distinctive approach to women's wellness — creating dedicated spaces where relaxation, cultural connection and personal wellbeing can come together in an immersive retreat experience.
