Mike Maiolo Appointed CEO as Mosaic Expands Enterprise Portfolio into SAP Market

Appointment of veteran CEO scales the firm's capabilities to deliver end-to-end digital transformation with SAP S/4HANA and UKG

Mike Maiolo is appointed as CEO of Mosaic Consulting Group. Krystyn Sadler continues with Mosaic as President of the UKG Practice and Noel Fagan as President of the SAP Practice.

Mosaic Consulting Group for UKG & SAP

NASHVILLE, TN, UNITED STATES, October 13, 2026 /EINPresswire.com/ -- Mosaic Consulting Group, a leading UKG and SAP professional services firm, has named Mike Maiolo as CEO and Executive Chair. Maiolo's appointment supports the company's expanded vision: scaling enterprise business transformation with AI innovation as the catalyst, built on a foundation of SAP® S/4HANA® Cloud alongside UKG® Human Capital Management, Payroll, and Workforce Management. Maiolo, who has served as Executive Chair of Mosaic's board since 2025, will lead strategy and execution as the firm accelerates its growth.

Maiolo, an enterprise technology founder, brings two decades of scaling IT consulting firms and deep insight into the enterprise technology market. He joined Mosaic in 2025 as an advisor and Executive Chair of the Board following the strategic investment by private equity firm, Avesi Partners. Maiolo's 2026 book, "We Were Rizing", details how he transformed a niche consultancy into a global SAP Gold Partner operating across 16 countries, leading the company through rapid growth, strategic acquisitions, and a successful exit.

Krystyn Sadler, who has served as CEO since 2024, will continue with Mosaic as President of the

> AI is changing how fast organizations can transform. Our job is to make that change practical, measurable, and scalable for the clients who run on SAP and UKG.”

UKG Practice, bringing her extensive HR and workforce management experience to the firm's UKG clients. Noel Fagan continues as President of Mosaic's SAP practice. Client teams, engagements, and partnerships remain unchanged.

"AI is changing how fast organizations can transform," said Maiolo. "Our job is to make that change practical, measurable, and scalable for the clients who run on SAP and UKG. And now, with Krystyn leading UKG and Noel leading SAP, our clients get senior leaders closer to their work, not further from it."

"Human Capital Management is where I've spent my career, and it's where I can make the biggest difference for our clients," said Sadler. "I'm proud of what we've built together, and I'm excited to go deeper with our UKG clients while Mike leads the next chapter of Mosaic's growth."

Mosaic Consulting Group is a UKG award-winning partner, serving enterprise clients with workforce transformation since 2011. In March 2026, the firm launched its SAP practice, fueled by the infusion of deep SAP and industry-experienced talent dedicated to driving client transformation.

ABOUT MOSAIC CONSULTING GROUP

Mosaic Consulting Group is a professional services firm advancing business transformation with SAP® and UKG® software solutions. By combining AI-native expertise with a legacy of excellence, Mosaic offers clients innovation backed by enterprise-grade stability. Mosaic doesn't just implement technology; it builds the continuous evolution engine that keeps operations ahead of the curve. From advisory through implementation to post go-live support, Mosaic helps organizations maximize the value of their people, processes, and technology.
