

Saatva and Chiro One Partner to Support Restorative Sleep and Whole-Body Wellness

Saatva's mattresses are now available on the Chiro One Marketplace, expanding access to sleep solutions designed to support wellness beyond the clinic.

CHICAGO, IL, UNITED STATES, October 12, 2026 /EINPresswire.com/ -- [Saatva](#) and Chiro One Wellness Centers announced a new partnership bringing Saatva's luxury handcrafted mattresses to the [Chiro One Marketplace](#). The partnership gives Chiro One patients access to Saatva's premium sleep solutions as part of the Marketplace's growing collection of products and services designed to support recovery and long-term well-being.

Saatva and Chiro One share a commitment to helping people feel and function at their best, recognizing that wellness extends beyond the time spent in the clinic. By making restorative sleep a more intentional part of the wellness conversation, the partnership encourages patients to consider their sleep environment as another important component of their daily routines.

"Sleep is foundational to how we feel, recover, and perform each day, yet it can be easy to overlook when we think about overall wellness," said Scott Perkins, B2B Partnership Development Manager at Saatva. "Chiro One shares our belief that wellness is about the choices we make every day, and we're excited to bring Saatva's restorative sleep experience to its patients through the Chiro One Marketplace."

Founded in 2010, Saatva pioneered a new approach to mattress shopping, bringing handcrafted luxury mattresses and bedroom furnishings directly to consumers with complimentary white-glove delivery. Saatva mattresses are made to order and assembled in the USA using premium, globally sourced materials, including recycled steel, organic cotton, and CertiPUR-US® certified foams. Each mattress is hand-delivered and set up in the customer's home, never compressed in a box for doorstep delivery.

"Supporting our patients' health means looking beyond the time they spend with us in the clinic," said Dr. George Walker, founding member at Chiro One Wellness Centers. "Movement, recovery, stress, nutrition, and sleep are all part of the bigger wellness picture. By bringing trusted sleep solutions like Saatva to the Chiro One Marketplace, we're giving patients another way to invest in the habits and environments that support how they feel every day."

The Chiro One Marketplace connects patients with carefully selected products and services that

support their health beyond the chiropractic appointment, from movement and recovery to nutrition and sleep.

Saatva mattresses are now available through the Chiro One Marketplace, where patients can explore select Saatva sleep solutions and receive a 15% discount on their purchase.
