GREATER MANCHESTER, UNITED KINGDOM, October 14, 2026 /EINPresswire.com/ -- [Charles Vermont](#), an independent womenswear stockist based in Shaw, Greater Manchester, is highlighting the design detailing found throughout its [Tinta Clothing UK](#) range. The focus is on the finishing touches, prints and size options that characterise the label's blouses, tops, dresses and trousers.

According to the retailer, most Tinta garments are manufactured in Spain, and the label focuses on sustainability, attention to detail and stylish shapes. Each season introduces new prints and fabrics, with pieces designed to be comfortable and wearable for a wide variety of occasions.

That attention to detail is visible across the collection. Styles in the range include pleated blouses, a blouse with an adjustable hem, blouses finished with floral or star embroidery, pieces trimmed with decorative and pearlescent buttons, and a broderie anglaise dress. Broderie anglaise is a traditional needlework technique that combines embroidery with small cut-out eyelets.

Print plays an equally central role. The collection spans abstract, geometric, paisley, botanical and graffiti-inspired designs, alongside styles in colours ranging from black, white and cream to blue, green, pink and orange.

Fit and choice are also part of the offer. Tinta pieces at Charles Vermont are available in UK sizes 10 to 20, with selected styles sized from Small to XX Large. The collection can be browsed by size, colour and garment type, including dresses, tops, trousers, jeans, jackets, cover ups and cardigans, making it straightforward to compare styles within a single category.

Tinta sits within a wider portfolio of international womenswear labels at Charles Vermont, including Joseph Ribkoff, Frank Lyman, Dolcezza, Robell and Claire Desjardins. The retailer describes its collections as carefully selected from international fashion houses, with buying led by its store manager, an experienced fashion buyer. More detail on the business and its

approach is available on its [about us](#) page.

Charles Vermont operates from Market Street in Shaw and sells online to customers across the UK. New arrivals and updates are also shared through the retailer's Instagram, Facebook and YouTube channels.
