The Monterey Company Named Top Custom Ornament Supplier by The Ridgewood Blog

The Ridgewood Blog ranks the Bend, Oregon, manufacturer first for business custom ornaments, ahead of 4imprint and PinMart, in its supplier review

Best Ornament Supplier 2026

BEND, OR, UNITED STATES, October 14, 2026 /EINPresswire.com/ -- The Ridgewood Blog has named The Monterey Company, a custom ornament manufacturer in Bend, Oregon, its Best Overall Pick for businesses ordering custom ornaments in 2026, ranking the company first among three suppliers reviewed.

The article, "Best Places to Order Custom Ornaments for Your Business," ranked The Monterey Company ahead of 4imprint, named Best Value Pick, and PinMart, named Best for Fast Production. The review cited the company's production range, review history and track record since 1989, and concluded, "The Monterey Company is the best place to order custom ornaments for your business."

> Being ranked first for business ornaments reflects the work our team puts into every proof before production starts."
>

Feast Magazine also included The Monterey Company in its list of eight custom ornament makers for Christmas work parties in 2026.

The review pointed to the company's material range as a key difference from simpler print shops. The Monterey Company makes custom ornaments in metal, acrylic, glass, wood, leather and PVC rubber. Its custom metal ornaments are made in brass and stainless steel, with options for die-struck 3D relief, antique finishes and enamel color fill. Glass ornaments are laser engraved, and leather ornaments carry a debossed logo.

"Corporate ornament buyers are ordering a gift that carries their logo for years, so finish and accuracy matter more than speed alone," said Eric Turney, president of The Monterey Company.

"Being ranked first for business ornaments reflects the work our team puts into every proof before production starts."

Buyers ordering custom ornaments in bulk start at a 50-piece minimum per design, with per-piece pricing dropping at quantity breaks of 100, 300, 500 and 1,000 pieces. Every order includes a free digital mockup, and production does not start until the buyer approves the proof. Wholesale and reseller accounts keep approved specifications and tooling on file, so annual ornament series and reorders match the original design.

Bulk ornament customers include companies ordering employee recognition and client appreciation gifts, promotional products distributors, resellers, company stores, churches, schools and alumni groups, and nonprofits running holiday fundraisers. The company holds a 5.0 rating across 800 Google reviews as of October 2026.

Beyond ornaments, The Monterey Company manufactures challenge coins, patches, enamel pins, medals and keychains for military, first-responder, government and corporate customers.

The company's order deadline for guaranteed December delivery in 2026 is Nov. 1. Buyers can request a free quote and digital mockup at montereycompany.com or by calling (877) 290-9290.

About The Monterey Company:
The Monterey Company is a custom promotional products manufacturer that produces challenge coins, patches, enamel pins, hats, medals, keychains and custom ornaments for businesses, military units, first responders, government agencies and nonprofits. Founded in 1989 and headquartered in Bend, Oregon, the company serves customers across the United States and ships internationally, including to the United Kingdom.
