CALGARY, ALBERTA, CANADA, October 16, 2026 /EINPresswire.com/ -- Consumer Choice Award is proud to announce that Shajani CPA – Chartered Professional Accountants & Advisors has been named the 2026 Consumer Choice Award winner in the Accountants – Small Business category.

The recognition reflects Shajani CPA's commitment to providing thoughtful, forward-looking advice while building lasting relationships with the individuals, families, and businesses it serves.

Shajani CPA is an Alberta-based accounting and advisory firm helping clients build, grow, and transition wealth. With expertise in tax, estate planning, and family-owned enterprises, the firm brings these areas together to help clients address today's priorities while planning for the future.

Tax strategy, estate considerations, succession planning, and business objectives are considered together, giving clients a clearer picture of how individual decisions can affect their broader financial goals.

With offices in Calgary, Red Deer, and Edmonton, Shajani CPA serves clients throughout Alberta. The firm is also a member of Russell Bedford International, a global network of independent accounting, audit, tax, and consulting firms, providing access to international expertise when

clients' needs extend beyond Canada.

At the centre of Shajani CPA's approach is a commitment to understanding each client's ambitions. By developing trusted relationships and looking beyond individual transactions, the firm supports business owners, families, and entrepreneurs through growth, succession, estate planning, and generational wealth transitions.

The Consumer Choice Award recognizes businesses selected through independent market research based on factors including reputation, customer satisfaction, and overall business excellence. Shajani CPA's recognition as the 2026 winner in the Accountants – Small Business category reflects the firm's continued commitment to serving clients with technical expertise, practical advice, and a personal approach.
