

Libra Software Group Names Jackie Murry President of Logimax & DPS

Jackie Murry will lead strategy and operations across Logimax and DPS while continuing as Director of Operations at Friedman Corporation.

CHICAGO, IL, UNITED STATES, October 19, 2026 /EINPresswire.com/ -- Jackie Murry has been appointed President of [Logimax](#) and [DPS](#), expanding her leadership responsibilities within the Libra Software portfolio while continuing to oversee [Friedman Corporation](#) as Director of Operations.

Jackie brings significant experience in operational leadership, financial management, customer engagement and business transformation. At Friedman, she oversees critical areas of the business, including financial performance and P&L management, professional services, customer strategy, operational performance and cross-functional initiatives. She plays a central role in strengthening business processes, increasing organizational accountability, and aligning teams around sustainable growth, profitability, and customer value.

Throughout her career, Jackie has held leadership roles focused on helping growing businesses scale their operations, develop high-performing teams and strengthen the customer experience. Her approach combines disciplined financial and operational execution with a strong commitment to understanding customers' businesses and building trusted, long-term relationships.

As President of Logimax and DPS, Jackie will hold full organizational responsibility and provide strategic and operational leadership across both organizations while maintaining her leadership at Friedman. Her focus will include supporting employees, deepening customer relationships, strengthening operational and financial performance, and identifying opportunities for continued innovation and long-term growth across all three businesses.
