

AUSGAR Technologies, Inc. Awarded \$98 Million NAVWAR Contract

SAN DIEGO, CA, UNITED STATES, October 19, 2026 /EINPresswire.com/ -- AUSGAR Technologies, Inc. announced that it has been awarded a \$98 million contract under Naval Information Warfare Systems Command (NAWWAR) to support PMW/A 520, the Capability Portfolio Executive for Communications, Sensors, Electronic Warfare, and Precision Navigation and Timing.

This award reflects the strength of our team and partners and our shared commitment to delivering innovative, mission-focused solutions to the Navy."

Jon Dien, CEO

Under the contract, AUSGAR will provide cybersecurity and engineering services in support of multiple programs supporting critical warfighter capabilities.

"We are proud to support this critical organization and its mission to deliver capabilities to the Fleet," said Jon Dien, CEO of AUSGAR Technologies, Inc. "This award reflects the strength of our team and partners and our shared commitment to delivering innovative, mission-focused solutions to the Navy."

About AUSGAR Technologies, Inc.

AUSGAR Technologies is a San Diego-based, Service-Disabled Veteran-Owned Small Business specializing in cybersecurity, engineering, experimentation, and unmanned systems solutions for the Department of War.
