

Saville's Service Center Hires Specialist Diesel Mechanic, Expands Truck Work

Purcellville auto repair shop adds a specialist diesel mechanic and is accepting more diesel truck work.

PURCELLVILLE, VA, UNITED STATES, October 19, 2026 /EINPresswire.com/ -- [Saville's Service Center](#) Hires Specialist Diesel Mechanic, Expands Truck Work

PURCELLVILLE, Va. — Oct. 7, 2026 — Saville's Service Center has hired a specialist diesel mechanic and is now accepting more diesel truck work at its Purcellville location. The hire expands the shop's capacity to serve owners who depend on diesel trucks for work, towing, and everyday transportation. The expanded availability includes diagnostics, routine maintenance, and repair for diesel trucks and other diesel-powered vehicles. Customers seeking [diesel truck repair in Purcellville, VA](#), can now schedule work for a range of diesel-related concerns.

The specialist mechanic will handle diesel concerns such as hard starting, no-start conditions,

“

This hire gives us more room to help diesel truck owners get the service they need.”

Wayne Brown, Owner

reduced power or fuel efficiency, excessive exhaust smoke, and turbocharger or sensor problems. Services also cover diesel components and systems such as fuel injectors, EGR valves, glow plugs, turbochargers, and high-pressure fuel systems.

With the additional diesel expertise, Saville's Service Center can accommodate more appointments for work trucks, fleet vehicles, and personal diesel vehicles. The increased

capacity also allows the shop to address a wider range of diesel-related concerns.

New and returning customers can request appointments for the expanded diesel services online or by calling the shop at (540) 338-5749.
