

Locate Faith Hosts Houston Hub Networking Event as Nationwide Directory Connects Consumers with Faith-Aligned Businesses

The Houston hub brings local faith-aligned business leaders together while the directory helps consumers discover and connect with them nationwide.

HOUSTON, TX, UNITED STATES, October 26, 2026 /EINPresswire.com/ -- Locate Faith, a new online directory dedicated to connecting consumers with Christian owned and faith aligned businesses, is officially expanding its footprint across the United States. The platform serves as a bridge for community members seeking services from providers who share their values, fostering a network rooted in shared faith and integrity.

“

Locate Faith is more than just a directory; it is a movement to unite Christian business owners and provide consumers with a trusted resource.”

Jay Abiona

To ensure alignment with its mission, Locate Faith implements a rigorous Faith Based Verification process. Every business owner listed on the platform is required to

sign a statement of faith, confessing Jesus as Lord and Savior before their listing is approved. This commitment ensures that users can confidently engage with providers whose operations are guided by Christian principles.

The platform offers a comprehensive, user friendly interface that organizes providers into a variety of searchable categories, including local services, health and medical, real estate, professional services, and contractors. To further assist consumers in their decision making, Locate Faith incorporates community driven reviews, allowing users to evaluate the service, character, and competence of listed providers based on real-world experiences.

The platform is rapidly gaining momentum as business owners nationwide join the directory to build community and grow their reach. Among the early adopters is Jay Abiona, founder and CEO of [Credible Security Solutions, Inc.](#), who has registered his security firm as well as his publishing company, Books by Jay Abiona LLC. “Membership as of now costs as little as \$79 per year, giving you the opportunity to advertise your company on the Locate Faith platform while connecting and interacting with other Christian business owners. Once you join, your rate is locked in for life; making it an exceptional value.” said Jay Abiona.

Beyond the digital directory, Locate Faith is fostering real world connections through the establishment of local meeting hubs. Mr. Abiona will be facilitating the newly added Houston Hub, providing a space for local Christian business owners to network and support one another. The Houston hub will gather for lunch on the third Wednesday of every month from 11:00 AM to 1:00 PM at [Guadalajara Mexican Grille](#) restaurant, located in the West University area of Houston, starting on November 18, 2026. There are four Guadalajara Mexican restaurants in the Houston area; Memorial, The Woodlands, downtown Houston and the one where Locate Faith will host their monthly Houston hub, located at 2925 Southwest Fwy Houston, TX 77098.

"Locate Faith is more than just a directory; it is a movement to unite Christian business owners and provide consumers with a trusted resource," said Abiona. "I'm thrilled to see other Christian business owners like myself stepping up to facilitate local hubs throughout the country, which are vital for building those face to face relationships that strengthen our communities."

Jay Abiona would like to reserve a seat for anyone interested in attending the first Houston Hub meeting on November 18, whether you are already a Locate Faith member or not. He would also be honored to 'reserve a seat' for those interested in becoming a member and connecting with other Christian business owners in the community.

For more information about Locate Faith, to advertise your business by adding it to the directory, find a local hub, RSVP for the first Houston Hub networking meeting, or receive a membership discount through [Jay's invitation, click here now!](#)
