Award-winning luggage shipping services from LuggageToShip.com help travelers avoid airline baggage fees and airport hassles.

LOS ANGELOS, CA, UNITED STATES, October 29, 2026 /EINPresswire.com/ -- LuggageToShip.com, an AI-enabled TravelTech and global logistics platform for shipping luggage, boxes, sports equipment, and personal belongings, has been named a 2026 Inc. Power Partner Award winner in AI, Technology & Development. The recognition highlights the company's use of artificial intelligence, automation, and digital logistics technology to simplify shipping, improve customer experiences, and help travelers compare and book luggage shipping services worldwide.

LuggageToShip.com appears on Inc.'s 2026 AI, Technology & Development list alongside recognized companies including Canva and Intuit.

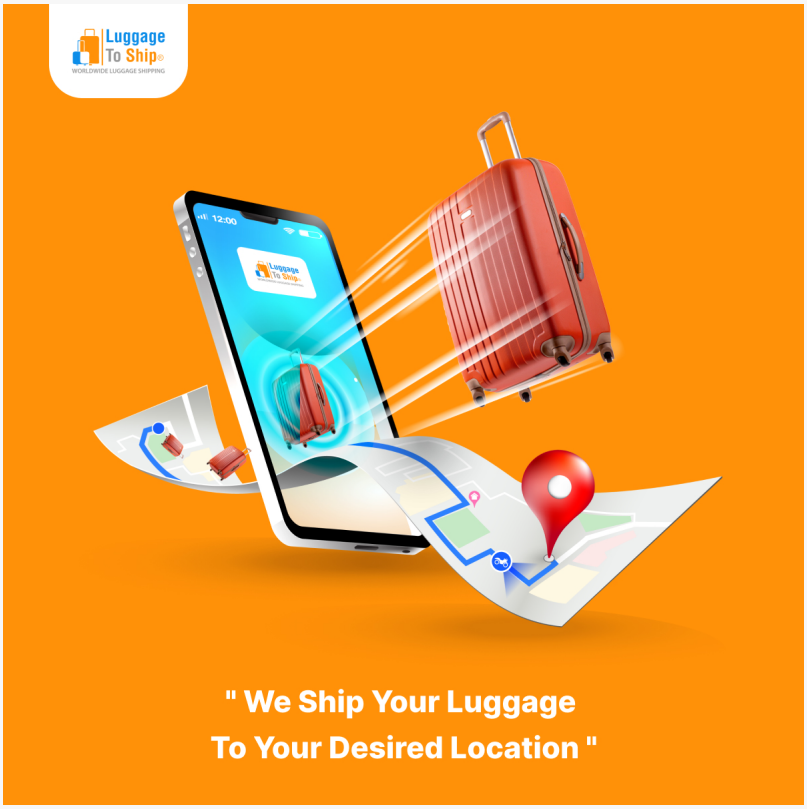

The annual Inc. Power Partner Awards honor B2B companies that have demonstrated a track record of helping entrepreneurs and businesses navigate the challenges of building and growing a company. From technology and infrastructure to operations, marketing, payments, and customer engagement, these organizations provide expertise and services that enable businesses to operate more efficiently and pursue growth opportunities.

"Business owners have no shortage of tools at their disposal, and B2B companies need to make clear why their products and services are worth the investment. The companies on this year's Power Partners list have done just that. They don't just have customers - they have superfans and evangelists. Across industries like marketing, financial services, and technology, they've proved their dedication to helping fellow business owners grow and succeed." - Bonny Ghosh,

Editorial Director, Inc.

Bringing Comparison Shopping to Luggage Shipping

As airlines continue to charge baggage fees and travelers seek more convenient transportation options, luggage shipping has become an increasingly popular alternative. LuggageToShip.com enables customers to compare luggage shipping rates, arrange door-to-door delivery, and ship suitcases, golf clubs, skis, snowboards, boxes, and personal belongings domestically and internationally through a single online platform.

Customers can schedule luggage shipping online and track shipments nationwide through LuggageToShip.com.

Consumers routinely compare flights, hotels, rental cars, and vacation packages before they book. LuggageToShip.com brings the same comparison-shopping experience to luggage shipping by enabling customers to compare available carrier services, pricing, transit times, and delivery options through one connected platform.

> Travelers already compare flights and hotels before booking. Our platform makes it easy to compare shipping options, book online, track shipments, and travel without the burden of heavy luggage."

The platform helps travelers and organizations arrange domestic and international shipping for:

- Luggage and suitcases
- Moving and storage boxes
- Golf clubs and golf travel equipment
- Skis and snowboards
- College and university move-ins
- Study abroad programs
- Family relocations
- Business conferences and trade shows
- Long-term international assignments

Customers can compare available shipping options from leading carrier networks, book online, generate shipping labels, track shipments, and receive support through a single digital

experience.

"Travelers already compare flights and hotels before they book. We believe shipping luggage should be just as easy. Our platform allows customers to compare carrier options, book online, track shipments in real time, and avoid many of the hassles associated with transporting heavy luggage, boxes, skis, and golf clubs through airports." - Mike Ulker, CEO, LuggageToShip.com

In addition to convenience, customers may reduce airport stress, avoid carrying oversized baggage through airports and hotels, compare multiple carrier options side-by-side, and arrange eligible door-to-door delivery for personal belongings before they arrive at their destination.

Building on a History of Recognized Growth

The 2026 Inc. Power Partner recognition builds upon previous national recognition received by Luggage To Ship Inc., including multiple Inc. 5000 rankings and a 2025 Inc. Power Partner Award, reinforcing the company's commitment to technology innovation, logistics simplification, and customer-focused service.
