ORLANDO, FL, UNITED STATES, November 1, 2026 /EINPresswire.com/ -- DonutNV is celebrating the fall season with a sweet reason to savor November: Snickerdoodle, its newest Flavor of the Month. Launching today and available through November 30 at select locations throughout the United States, the limited-time flavor pairs the comforting taste of cinnamon and sugar with a delicious donut twist.

Inspired by the beloved cookie, Snickerdoodle delivers warm cinnamon flavor and just the right touch of sweetness. It's a cozy treat for crisp autumn days, sharing with friends or adding something sweet to November gatherings.

"November calls for flavors that feel warm, familiar and a little nostalgic, and snickerdoodle checks every box," said Amanda Gingold, co-founder of DonutNV, who develops the brand's flavors and seasonal menu items. "We wanted to capture that comforting cinnamon-sugar flavor people love in a cookie and turn it into a donut that makes the season even sweeter."

DonutNV's Snickerdoodle Flavor of the Month is available at select U.S. locations from November 1 through November 30, 2026. Visit DonutNV.com to find your nearest location.
