Onni-Rye Holdings, Led by Onni Capital, Acquires Pacific Industrial Electric in Brea, California

Onni-Rye Holdings acquired Pacific Industrial Electric, adding high voltage, data center and 24/7 emergency electrical services across California and Arizona.

BREA, CA, UNITED STATES, November 2, 2026 /EINPresswire.com/ -- Onni-Rye Holdings has acquired Pacific Industrial Electric. Founded in 1971, Pacific Industrial Electric is an electrical contractor in Brea, California, providing power plant installations, high and medium voltage systems, industrial and conveyor power systems, renewable energy and energy storage, commercial tenant improvements, medical office buildings, data centers, preventative maintenance, and 24-hour emergency response. Pacific Industrial Electric operates throughout California and is also licensed in Arizona. John Martin and Chris Michalski will lead Pacific Industrial Electric.

> Pacific Industrial Electric has served Southern California's industrial customers for more than 50 years. Their medium voltage and emergency response capabilities strengthen how we deliver for clients”
>
> *Chris Golden, Onni-Rye Holdings*

"Joining Onni-Rye gives our team the backing to keep growing and take on more work for our customers," said John Martin and Chris Michalski, Pacific Industrial Electric.

"Pacific Industrial Electric has served Southern California's industrial customers for more than 50 years. Their medium voltage and emergency response capabilities strengthen how we deliver for clients," said Chris Golden of Onni-Rye Holdings.

Nothing changes for customers. Customers can expect Pacific Industrial Electric to continue delivering the same team, the same electrical services, and the same 24-hour emergency response. Pacific Industrial Electric is at 230 N. Orange Avenue, Brea, CA 92821.
