The Smile Under The Stars gala directly supports the creation and operation of their permanent clinic—ensuring no child or young adult is turned away due to financial hardship. Proceeds will fund advanced dental treatments, preventive education, and the expansion of vital oral-health resources for vulnerable young people throughout Los Angeles, through the clinic itself. Guests will help lay the groundwork for a permanent, no-cost dental clinic that will bring healthier futures, and brighter smiles, to thousands of young people in Los Angeles. The Giving A Smile Foundation warmly invites the community to join this important initiative. Together, they can ensure that every young person receives the dental

care they deserve, regardless of their financial circumstances.

The Calling is a multi-Platinum Los Angeles trio known for uplifting music and global hits. With over 10 million albums sold, billions of streams, and sold-out performances worldwide, the band is best known for their iconic hit “Wherever You Will Go,” which reached the Billboard Hot 100 Top 5 and was named Billboard’s No. 1 Adult Pop Song of the Decade. Following the success of albums Camino Palmero and Two, the band returned in 2026 with their highly anticipated third album, Before the World Turns to Dust, featuring the single “Dust.”
