Gander Robotics Closes \$1.1M Pre-Seed Round to Build Autonomous Search and Rescue Robots

Distributed on April 2, 2026 04:55 GMT.

[View Release \(Print Friendly, PDF\)](#)

Congratulations! Your press release made it into today's news cycle.

Millions of people using Google, Bing, AP News and other news services, platforms, newswires and AI databases now have access to your release. Our syndication points attract more than 330+ million unique visitors each month! You've achieved search visibility, reached journalists, and gained media exposure. Your release has also been distributed to the world's leading newswires and directly to media newsrooms.

Explore the media reprints below and see all the great things you've accomplished.

Major newswires

Here are the major newswires your release was distributed to, helping put your news directly in front of engaged audiences looking for topics like yours.

Click on the links below to view your press release.

Search engines & AI databases

EIN Presswire excels at distributing press releases that appear almost instantly on major search engines such as Google, Yahoo, and Bing. This swift indexing increases visibility and integrates seamlessly into AI databases like Gemini, ChatGPT, and others, amplifying the reach and impact of your news.

Click below to see how your release is indexed.

News Databases

Your press release has been ingested into these professional news databases, maximizing its reach to influential audiences.

(Note: Paid access is required to use these databases.)

Major News Platforms

Here is a list of independent news publishers where we can track the publication of your press release. Publishers are not required to report back to us. You could very well appear on others.

Click on the logos to view the reprints.
